

PRACTICAL HALF DAY TRAINING SESSION: FRUIT TREE GRAFTING

Saturday, 23rd August 2008 - Scottish Crop Research Institute,
Invergowrie, Perthshire (once at SCRI follow signs to the Living Field Studies Centre)
Thanks to SCRI for allowing us the use of their facilities for this practical training event.

**There are eight places available on both the morning and afternoon sessions.
Places are therefore very limited and bookings will be accepted on a first-come, first-served basis.**

This short training session will provide an opportunity to learn the techniques of this essential orchard task. John Butterworth will be travelling from his orchard nursery in Ayrshire to run these two half day training courses. *[please note: John's wife is ill and he may have to postpone the training at fairly short notice - this is unlikely, but we will contact you as soon as possible if this is the case]*

Please bring your own grafting knife if you have one; rootstock will be provided - but also bring your own if you wish. Please also ensure you bring sturdy shoes and waterproof outerwear in case of a summer downpour. Each session will start with refreshments in the Living Field Centre (portacabins). There are toilet facilities at the Centre.

BOOKING FORM

Please book a place as soon as possible (and no later than 18th August), returning the form below to Catherine Lloyd, Tayside Biodiversity Partnership (Grafting Course), c/o Dundee City Council, Floor 13, Tayside House, Dundee. DD1 3RA, or e-mail your details to tayside.biodiversity@ukf.net; Tel. 01382 433042 (please note the office will be closed between 6th and 15th August, inclusive).

Please forward a cheque for £15.00 per person made payable to "Dundee City Council".
